 - a. Request purchase for Jackets, T-shirts is still pending and entertain looking for vendors and will get a invoice.

A Contractor is being selected to work on renovations; that should hopefully happen soon. 34 veterans eligible for renovation but some live in mobile homes, questionable if trailers can qualify for renovations. Might be only minor repairs.
If changes in your application, please contact us to update. Tomorrow I'll be going to Windowrock for a work session on ranking housing applications.
Some veterans had questions, are widow's eligible for homes, why is it taking so long on handling and setting up the homes that were delivered.
