2 Paula Begay Chinle VSO---Good afternoon I am VSO in Chinle, stated clanship, she put on the black board the Tsaile / wheatfield / blackrock veterans trust fund mention that 36% of the fund has been used at this point it is including energy, hardship, stipend, home improvement also said 33 individuals applied and 12 applicants were held in question because of various issues and these are problems most lightly related to CIB, ID, DD214, SSC, OFC and OOC are very watchful in in these areas also Form 105 and SSC is used for your name on the application and said that our food voucher was sent to Window Rock.

.Willis B. The policy states that the Veteran should call their commander and let him know he or, she is applying for assistance. There are some veterans that come to the office and apply and not letting the commander know, that makes our account and budget incorrect with the AMS's balance sheet. According to the policy the veteran either come to the meeting and apply there or call, text or E-mail the commander.

Paula, all veterans are entitled to the trust fund. If they have a DD-214, honorably discharge and registered with the office, Paula; read the policy on trust fund application.

Willis; that policy is Mr, Zwierlin's policy Navajo Nation Veteran's trust Financial assistance program policy, signed off by President Nez in 9-29-2022.

Paula; I don't know who he is and I never met him.

Tom Tso; Question We need to know about housing
