a. Willis Becenti Good evening veterans and families for taking the time to attend our veterans meeting to start with there was a prayer session for active duty veterans held in Window Rock on 3-6-26 and as usual most of the people didn't, hear about this until the day of or the next day things like this should be known at least a week ahead of time so people can plan to attend.

Housing OEH, to my understanding is, they have sections that have to work so they do not cross over each others work area.

Talk about changes on VTF on policies and all the changes that was addressed will be going to Window Rock advisory council then DOJ to be approved. This friday 3-13-26 we will be again be working on codification policies and procedures also for veterans having their meeting at chapters houses and it has been known that all chapters have different policies across the Navajo Nation.

Also talk more about on attending veterans meeting to qualify for assistance. Self help has a list of things that they use like stove chimney cleaning once a year, dr's appointments, education with necessary documents, traditional healing not on the list all these changes will go to advisory council. These policies changes have taken place at least 5 times that I know of. Make all policy the same for the 110 chapters which will be easier for all CVOs.

Chinle agency does,nt have an AMS that is certified as of now 3-12-26.

Viet Nam Veterans Honor walk starts at Thoreau and ends at Shiprock they put this on every year (Showed flyers)

Mention appreciation dinner for Harrison Honie (Showed fliers.

Tom Tso Had drawn a graph on white board about how things were before and now from Veteran's department to divisions and the main thing that is holding this project is home site least next is the utilities like power and water.

b. David Tsosie Absent

c. Angela Brown Since we were elected for chapter veterans organization, we try to be fair with all veteran and widows which were denied assistance in the pass there is all levels of life in our community in heathl, our home situations, our educations so that being said that put all of us at

different level of thinking so it is hard some time to deal with problems but we try our best.

d. Donovan Davis absent
