participate, he has a full WWI uniform. We can explore this more. We have seven months to come up with something.

III. New Business

A. Commander Report

I asked my Boss, Does commanders fall under Ethics and Rules? "Yes", vice commanders and secretaries are under the commander. Every meeting we are employees of the Navajo Nation. Last Wednesday's ENAVO meeting didn't go well. People walked out, we wanted to vote "No compliant and no confidence" on Bobby Baldwin. The meeting didn't get anywhere.

IV. Other Request

A. Commander Benally's Speech

I put in my Letter of Interest for the Council Delegates position. People are coming up to me asking to run. They give me words of encouragement. A Colonel told me, "If you want to be a servant, you'll be a poor man forever. A servant will die serving. To this day I'm a servant and I'm poor. I was told to do a platform, but the Navajo Nation moves very slow. Working in Gallup Police Department for over 28 years. I was able to arrest all minorities, but when I started working for Navajo Nation, I can not touch anyone. What's the difference? This needs to be addressed.

- 1. Navajo Nation Police Department.. Not enough police officers,
- 2. Education.. We need to do more for our children. School supplies and clothes
- 3. Veterans.. Veterans are used big time especially during elections. Veterans have homes that are 30+years old. These houses need renovations and or a new home.
- 4. Elders.. Senior Centers need to be updated, their homes need safety rails and ramps

GIMC hospital in Gallup was supposed to be built over 20 years ago. It's still being talked about, talk. Rehobeth offered some for a new Indian hospital, but they want it in Gemerco, New Mexico. Stop the talk and build. I will need your support on February 19th @ 0900. Church Rock Chapter House is holding a new elected Council Delegate position. People will have to nominate me, I can't nominate myself. There are four other candidates running. We will all have a chance to speak.
