Commander Long: Our Tsayatoh Veterans Fund is at \$6,438.00 we utilized 78% of what given to us, \$29,336.00. We have made a Budget transfer for hardship and Energy. If you have not applied for assistance do so tonight. We must deplete our money. All Veterans Organization are working on their budget. Our Commander would like to apply for more for the Veterans, that is why we are depleting our funds. If you have any questions?

Commander Long:

This is where I need all veterans to attend the meetings so we can all plan together, that way they don't complain about not being involved and not knowing about the Trust Funds and the Chapter Veterans funds. We need to attend the meeting so we can improve our organization and have other activities here for our Veterans. I don't know how many of you got your checks. I am transferring funds:
