RE: CS-78-20, *An Action Relating to Health, Education and Human Services, Budget and Finance, Law and Order, and Naabik'iyáti' Committees and Navajo Nation Council; Extending the Fund Lapse Exception to the Annual Appropriation to the Veterans Trust Fund, as set forth in 12 N.N.C. § 1171 (B), Through Navajo Nation Fiscal Year 2024*

Dear Speaker Damon,

Pursuant to the authority vested in the Navajo Nation President, I am approving CS-78-20.

First, we have extreme confidence in Jim Zwierlein, Executive Director of the Veterans Administration. Under his direction over the past year the program has made great strides in putting the program back on track to take care of Navajo Veterans. With the Veterans Council providing advice, Mr. Zwierlein will bring the program under control and operating to maximum level. Second, we are extremely concerned over the delay in bringing this legislation to a final vote with the Navajo Council. Again, a rush to vote at the 11<sup>th</sup> hour could cause issues in the future as we do not have time to properly discuss and review this matter. We need to take our responsibilities seriously. Veterans, above all, know the dangers with a failure to plan; we need to take an example of their practice.

With the emergency nature of the resolution, we appreciate the Council recording the reasons for the emergency legislation and this short justification is now part of the legislative record. Thank you. We look forward to working with the Legislative Branch to complete a review of the Veteran's housing plan and we are confident Mr. Zwierlein can lead this project to the finish line.

Sincerely,
