MEMORANDUM

TO: Honorable LoRenzo Bates, Speaker

FROM:

THE NAVAJO NATION

DATE: November 6, 2017

SUBJECT: Resolution No. CO-63-17: Relating to Law and Order, Health, Education and Human Services, Budget and Finance, Naabik'iyáti' Committees and the Navajo Nation Council; Approving the "Navajo Nation Veterans Trust Fund Income Act" to amend the Navajo Nation Code, Title 12, Chapter 10, Subchapter 8, Navajo Nation Veterans Trust Fund, Section 1171 Establishment (A) and Section 1175 Definition of Principal and Income (A) (B)

Pursuant to 2 N.N.C. 1005 (C)(10), action for Resolution No. CO-63-17 is being submitted to the Navajo Nation Council, through the Office of the Speaker within the ten (10) day requirement. Furthermore, the Navajo Nation President has veto authority pursuant to 2 N.N.C. 221 (B) for resolutions that enact new Navajo law or amend existing Navajo law and are adopted by the Navajo Nation Council shall become effective on the day the President of the Navajo Nation signs it into law or the Navajo Nation Council takes action to override the President's veto, unless the Navajo Nation Council specifically authorizes and directs a different effective date.

After consultations with the Divisions, I must veto Resolution No. CO-63-17. The justification for use of the President's veto authority is set forth below.

The primary reason for the veto of this Resolution is the new language is unclear and can be interpreted to de-fund the Housing Program for Veterans. The amendment states the following:

"The Trust Fund shall consist of.....as well as annual set-asides by the Navajo Nation Council as noted in Section 1171 of this subchapter" (italized for emphasis)

The annual set asides in Section 1171 is 4%, in which 2% to be reinvested into the Veteran's Trust Fund and 2% to the Veteran's Housing Program. This amendment directs the entire 4% to now be appropriated into the Trust Fund Income, taking the 2% away from the Veteran's Housing Program. Housing for Veterans is very important to the Begaye-Nez Administration: I cannot support de-funding this program.

The second reason is by diverting the set aside to Veteran's Trust "Income" instead of "Principal" will immediately halt the growth of the Veteran's Trust Fund. The current legislation language causes the set aside to no longer be invested into the Veteran's Trust Fund principal but becomes available for program administration. As the set asides now become a part of "Income", will be a disaster as the earnings, interest and other earnings of the trust fund may not reach the 4% and without the growth of the fund, may eventually reduce the appropriation to the program. Therefore, it is not advisable not to divert set asides historically intended to increase the Veteran's Trust Fund "Principal" into fund "Income". This is a dangerous precedent.

Furthermore, to access "Principal" for the Veteran's Trust Fund takes a 2/3 affirmative vote of ALL registered voters. This requirement is very restricted. As mentioned above, the required 4% appropriation may never be realized, and because of this restriction, will not be able to access the principal. However, it is unclear, whether this amendment is attempting to access the principal.

On October 24, 2017, the Navajo Nation People voted with overwhelming support to preserve and protect the Permanent Trust Fund, by voting down the Transportation Stimulus Plan. It is clear our people support the continued growth of "Principal" of the Fund, including the Veteran's Trust Fund. As the President of the Navajo Nation, I must listen to the voice of the Navajo People, as such, it is my duty to protect the Permanent Trust Fund. I ask our Navajo Nation Council to not challenge the vote of our Navajo people. For it is the Navajo People who have elected and entrusted us to be their voice, to represent them and to advocate on their behalf. We should never challenge the voice of our Navajo people.

Therefore, I have no other choice, but to exercise my veto authority, pursuant to 2 N.N.C. 221(B).
