II. Reports Motion by Rebeeca Cling 2<sup>nd</sup> Leonard Teller

a. Willis Becenti ---Hello everyone, Thanks for being here with us. I was in a meeting in Chinle and I just got back, we are working on the codification (2-26-1) CFR-38 wording some portions that is in the Federal Code, not only do I have our meeting all of sudden I would get a call for a meeting elsewhere and I go if I can make it, sometimes it's late when they call

I called Chinle office for an update on the budget and AMS told me she would call me back in 10 mins. On May 12<sup>th</sup> 2026 But I never got the call so I got the report until I got there for the meeting at 1pm so that is why the amounts are different on the agenda, so we corrected the agenda.

I am also planning a land withdrawal for a veterans building and choices were on senior center or at chapter property I want your opinion and also to form a committee for the project and come to find out that the land is not withdrawn for veterans so we have to do all that and that comes first, before the construction can start.

And we are still waiting to hear a word about the 3<sup>rd</sup> round and to this day nothing, all Bobbie has to do is amend the trust policy , to go with the CNVO(02-2-26) resolution.

b. David Tsosie --Thank you all I want to report is last friday we post color for Dine college graduation May 8<sup>th</sup> 2026 there was 4 of us Me, Willis, Roy and Anthony and retrieved we usually post colors for Lukachukai Schools and Tsaile School but so far no word from them this is all my report.

c. Angela Brown We are very busy doing things for veterans, we had a call on May 5<sup>th</sup> 2026 from Showlow a lady that works with state veterans org. said that she had some stuff for veterans that she had to move soon, she needed the room so we went to pick it up Sunday May 9<sup>th</sup> 2026 and haul all the things that she had home then we had to kit it all so each veteran had a bag so that takes time money, and work to make it more so because of the high gas price as it is.

And the food that we are having now comes from Makasa 2 Chinese cuisine We got it at 2pm from Window Rock.I hope you enjoyed your food

- b. 3<sup>rd</sup> round of trust distribution resolution CNVO (02-2-26) We are trying to present this resolution to HEHSC and have them decide the proper process to get this done.
- c. Veterans dinner from the chapter fund. (\$ 406.25 )We paid for this and we are to be reimbursed by the Chapter.
- d. Motion by Rebecca Cling 2<sup>nd</sup> by Lenard Teller  
Select a committee for Veteran' s building planning and construction. The chapter requested that we select a committee to work on this project, who wants to volunteer? Me and Angie will be there and David also. Rebecca Cling , Carlen Billy and Charleen Yazzie Volunteered to be on the planning committee. I told them we may have to travel to get funded.

- e. Land set aside for construction, 1 acre. We were told by the Chapter that the two plots were not set aside for any veterans building. So we have to do an amendment to the site plans and get the land approved for a building.
