A. Budget Report 2025 - 2026 Facial Year.

Energy — 0

Self-Help — 0

We maxed out our Budget.

Trust fund is under the 7110 Program. Next meeting you'll be receiving your Easter gift baskets. We have \$740.67 ————Purchase food

\$1,251.33 ——— Gifts/Awards

Barbara - Crownpoint will meet us at T&R, make sure we receive what we ordered. Also, Veterans Chapter Funds has no deadline, no need to zero out the budget.

Commander Benally - Best to zero it out, in order to receive funding for assistance. Barbara asked Senator Munoz to help purchase our Flags. She'll keep in contact with the State Office on that part. Our State Representative Doreen Wanda Johnson agreed to purchase the Banner for Church Rock Veterans for future events and Parades. Ms. Johnson asked the Veterans to design their Banner. Get a hold of Barbara about the design and ideas.

Funeral Assistance —\$624.41

Next month we can do a Budget Transfer. Remember, this is your money you can spend it anyway you like. We will take more on this next month. The Chapter House Veteran funeral assistance should be the last place to go. Other Chapters don't do this, assist with Veterans funerals and support our Surviving Spouses. Sometimes our Council Delegates send each Chapter \$5000.00 each. See what happens.

III. New Business

A. Commander Report

Commanders, Vice Commanders and Secretary Treasurer are under Ethics and Rules. They are voted in by the Veterans. Therefore, at every Veterans meeting held they are considered employees of the Navajo Nation. For every meeting attended they receive a stipend from Navajo Nation. There is a lot of fighting going on in Window Rock. The Eastern Agency want to establish a Code of Conduct, they don't have a Policy and the Punishment in place. This has been going round and round for three months

now. I went to the Eastern Agency office in Crown point. I rang the bell three times, this lady came around the corner and asked me "What do you want?" She was very unprofessional. This happens, the Veterans are the blame. This starts conflicts. Not Good. So, be careful when you go there. I'll make that an issue at the Eastern Agency meeting. That is the Navajo Nation Government. The Council kept the ARPA money, until they decided to give it to 5 people to average 1.7 million dollars to each 110 Chapters. They did something to all that money in Window Rock. There is no policy attached for punishment. The main Commander left town on personal leave. He contracted \$30 million dollars for Veterans housing. Who was it built for and where? No word on housing at this time. Zinnie Homes built only one house. I thank you for your support and words of confidence, but I don't think I'll make Council Delegate because I know all the bad things going on in the Navajo Nation Administration, the Council and at the Chapter Officials level. If it goes or it doesn't, it's okay with me. I'll let you know what's going on. I'm also thinking of running for Sheriff, we'll see what happens.

B. Anthony Sandoval - As a young man I heard sheep, until my mother told me to join the Military, which I did. This was 48 years ago. I was in a unit called the Anti Messel Warfare. I was a Tow Gunner. Who knows the real name for Flagstaff Mountain? It's not San Francisco Peak. The real name is "Humphrey Peak". Just FYI. Who is the US having War with? "Iraq". Who is the Chief Commander? "Trump". This short video is a dedication to our shoulders in Iraq. We can see all the updated artillery, weapons and Tanks. Next meeting I'll show another short video. Thank you for this time.

IV. Other Requests:

Doris Benally - I'm from Tohatchi, New Mexico. I am campaigning for Mr. Harold Pope and Ms. Deb Haaland. For Titles #1 and #26. I will leave brochures for you to read. Thank you very much for giving me a bit of your time. Thank you again.
