Target date 12/14/2025

Your activity Parade on 09/11/2025 and Dinner at Katherine Miller elementary. Thank you for supporting our Vice Commander

Kathleen Daniels. She was picked to be the Grand Marshal.

Be safe and have fun.

III. New Business

A. ChurchRock Chapter Veterans Organization 25/26 budget

Because of the low count, we received less money. \$86,330.00

will help 44-45 Veterans and Surviving Spouses. The Navajo Nation

Veterans will be getting \$600,000.00 which will be divided to the 110 Chapters. Each will receive \$18,000.00 which can help 10 more individuals. We can help 55 individuals total. We have to exhaust the \$86,330.00 first. Some of you have already received your check, some of you haven't yet.

#1. No excuse for the Controller, but they only have 25 staff that overlooks the whole Navajo Nation checks including Navajo Nation Veterans checks.

#2. The Navajo Nation's President hiring and firing in the Controllers office.

#3. The Navajo Nation is changing from FIMS to another system. It will make it easier to print checks and help with account management. The staff will have to attend training, causing delay in printing checks. The only way we'll have change is when the Navajo Nation President and the council make changes.

#4. Every year between December and January the Tribe employees take their Use or Loose Leave. Many offices will be under staff. If the Church Rock Chapter want to make change Policies and Procedures, all 110 Chapters and their three Officials to Vote on the same thing. It takes time.

Colby Cowboy- Thank you for standing up for us.

Commander Benally- When I talk in public, I hold my Church Rock Veterans. They are like my kids, they come first. I take care of them.

B. Update next Activities.

Church Rock Veterans Voted on having Christmas Dinner at Navajo Nation Firerock Casino on December 14th our next meeting Date at 1:30 PM.

IV. Other Request

Ms.Doreen Wanda Johnson- Thank you Veterans, Code Talkers and our Combat Veterans for everything you have all done and doing for our United States of America. Our Navajo Language is why we are today. I am honored to be here at the Church Rock Veterans meeting. Please update your health records and your health insurance. The State of New Mexico has saved 30 million dollars for SNAP recipients, during the shut down. We are looking for money for more money for food.

Ronaldo- Gave an update on the Funeral expenses. Gave a print out to us to post on Church Rock Veterans website.

Dr. Whitman- It's hard to double-dip, the Chapter Administration has

the budget ledger in the office. All monies that come from the Navajo Nation Presidents Office are already ear-marked. I have every right to I have every right to be here, my husband was a Veteran. God rest his sole. Please watch your words.

We have a truck coming on November 24th from the Food Bank. We are looking for volunteers to sort and pack boxes. One box per household. We have no say to what food they bring. They usually have fresh meat, fresh veggies, fresh fruit, can foods, bread and pastries. The next one is on December 22nd. They may bring turkey or and Ham. Who knows. We are having a mock drill for the Sundance area this Sunday 11/16/2025 at Church Rock Chapter. Only the Sundance residents will receive "Go Box". I, Verna Grieg, Linda Williams, Barbara McClanahan and Louise Jim and Wesley Whitman.

CART Emergency Response Team. If you have any questions, please ask one of us.
