V. REPORT- Commander L. Morgan

Commander Loren attended the Eastern Agency Meeting and stated that the Veterans need to keep their information updated at the Veterans office so they can continue to get the funding they request without delay. Sometimes it's impossible to in get contact with certain veterans because the information provided are out of date, then the funds get denied because that veterans was unable to be contacted in a timely manner.

Loren told everyone to make sure the Veterans are being proactive in communicating with our Officer's and gave out his number so he could be contacted if any veteran had any questions.

Lori John (SS) introduced herself to everyone at the Dinner as the Eastern Veterans service Officer. She touch base on the current budget and informed us that there was "partial payment" to some Veterans because they didn't specify what the monies are used for. If its not specified "Food, wood, doors, windows" it will get rejected because more information will be needed.

Standing Rock has 19 veterans who have all the information that's up to date. There is more veterans that needed to update their drivers license, veterans card so they can get assistance. They will be contacted by the office with in the coming New Year.

Lori also informed everyone that they are fully staff and asked that we utilize NNVAcrownpoint@navajo-nsn.gov so our information can get there in a timely manner.
